Room Rental Agreement - Pandemic Rider

Masks are required at all times inside the library building. All renters and their guests, attendees, performers, etc. are required to wear masks at all times while inside the library building, ***regardless of vaccination status.***

In order to maintain social distancing in the meeting room and periodicals room, capacity in these spaces is limited to 50% of allowed capacity: 37 people total in the Community Meeting Room and 20 people total in the Periodicals Lounge.

I agree to inform all attendees of this requirement and to enforce it during the rental period.
